

GOOD OLD DAYS FLORIST

WEDDING CONSULTATION QUESTIONNAIRE

Welcome to the beginning of one of the most enjoyable aspects of your wedding! We have compiled this form to get your ideas started for our upcoming consultation. Selecting your flowers is truly an exhilarating time, and this will greatly assist us both by saving precious time for the exciting part! You may not have all of the answers, but answer what you can, submit it back to us or bring it with you, and we will go from there. Answer what you can. Some are fill-in; others just need a circle. No worries if you don't know yet.

Absolutely, bring along any photos of flowers/designs you like, mementos, and color swatches; along with any items that you feel speak for yourself and your fiancée.

It also helps to gather contact names and numbers of both parents, coordinator, caterer, baker, photographer, church/synagogue, reception, and any photos/layouts of these facilities, if any.

Most important-don't forget your *dreams* and *imagination*!
